ADAM ETHERINGTON

Director of Photography

Experienced on virtually all film and digital formats, Adam brings dedication, experience, and a young and innovative eye to every production. With already a handful of feature credits to his name, including the forthcoming 'Gridiron', he works extra hard in pre-production to develop a style and palette that suits the production. Recent projects have taken him to China, USA, Columbia, Nairobi, Czech Republic, Slovenia, Sweden, Denmark and Switzerland, and he can produce high calibre work in the most demanding of remote locations.
